

KIM SCHOOL
Tuition and Fee Schedule
2009-2010 (beginning July 1, 2009)

For the purposes of clarification, the term Primary refers to the preschool-aged and kindergarten children and who attend the "Children's House" program. Elementary refers to children in first grade and above. Because KIM School's Primary program is individualized, a child may begin at any time during the year. The optimum time for a child to begin the program is in the fall (September) before the age of 4. Siblings of currently enrolled students who enroll prior to the March re-enrollment deadline have priority on a first-come, first-serve basis.

Application Fee (initial enrollment only) - \$50

This fee is paid at the time the Enrollment Application is forwarded to us. It places your child's name on our Enrollment List, or Waiting List. This fee is refundable if a child's name is withdrawn from our Waiting List before confirmation. However, once you are notified – either orally or in writing – that a space is available for your child, this fee is not refundable.

Enrollment Deposit (based on tuition) - Half Day \$350 or \$400 School Day \$450 All Day \$550

This deposit applies to new students and is due after confirmation of enrollment. (It can also be paid in installments within the three months of confirmation.) This deposit is applied to the last month of your child's enrollment at KIM School, provided a 30-day notice has been given.

Annual Affiliation and Materials Fee - \$120/year

We are an internationally accredited school and this fee pays for our membership dues and affiliation fees with Association Montessori Internationale (AMI). It also helps offset the costs of conference fees for staff.

Educational materials of high quality are extremely expensive. A major equipment order can cause serious setbacks in our budget. Therefore, it is necessary for us to replenish our apparatus gradually. In addition we continually strive to create the very best outdoor learning environments, This fee allows us an opportunity each year to order new materials, or to enrich our outdoor environments. These fees are due in October or the month after enrollment if enrolling other than the Fall semester.

- Parents agree to pay a charge of \$10 for every five minutes that a student is left at school past scheduled pick up time.
- The tuition payments are due on the first of the month. A Late Fee of \$50 is added if tuition is not paid by the 10th of the month in which it is due.
- A 30-day notice is required before the child is withdrawn.
